

HEAVY AND SPECIALIZED TRAILERS:

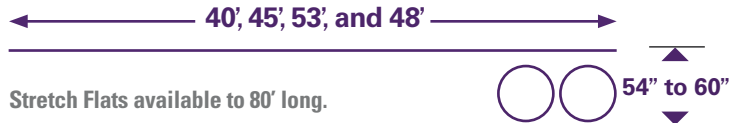

Generic specifications

The following specifications and nomenclature represent common specialized trailers. There are also trailers available outside the range of these dimensions; consult our office if required. Assume trailers below have 8' or 8'6" wide decks

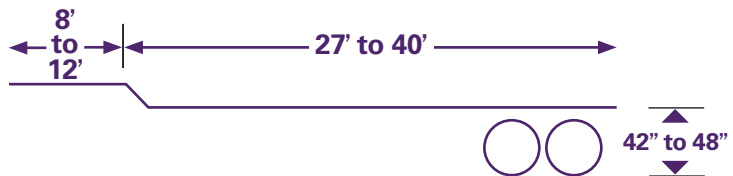

Flatbed

Also High Flat, Platform, Standard Flat, etc.

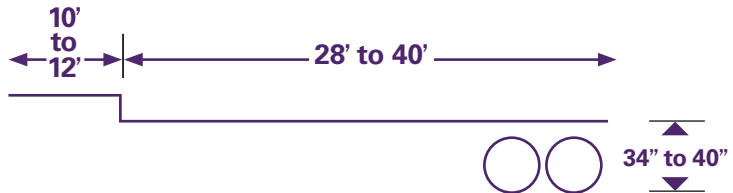

Step Deck

Also Drop Deck, Drop Flat, Low Flat, Drop Frame, etc.

Level Deck Low Bed

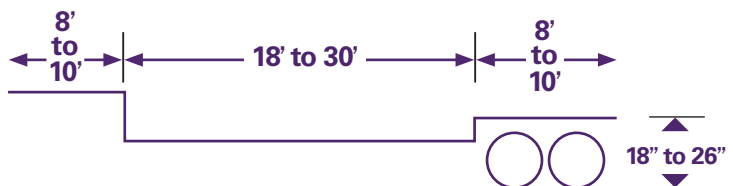

Also Low Boy, Drop Frame, Low Flat, Low Profile Step Deck, etc.

Stretch Level Decks available to 50' long lower deck. Some upper decks not loadable. Some decks are open over the rear wheels.

Deep Well Low Bend RGN

Also Low Boy, Double Drop Low Bed, Gondola, Drop Center, etc.

Stretch Deep Wells available to 35' long lower deck. Some upper decks not loadable. On some models the front assembly, or gooseneck, is removable to allow driving the load from the ground. Some decks are open over the rear wheels

The overall legal height of the trailer plus load is 13'6" in most states. Loads of greater height require permits and, in most cases, flagmen.
